The Institute of Actuaries in Belgium (IA|BE) has the honor and the pleasure to organize the very first Joint Colloquium of all IAA Sections (ASTIN, AFIR-ERM, IAACA, IAALS, IAACS and PBSS) which will be held in the center of Brussels from 22 to 26 September 2024.

This first “JoCo2024” will gather actuaries, section members as well as members of Actuaires du Monde (AdM) around a unique theme “Reconnecting Actuaries”:

- Reconnecting actuaries after a pandemic period that changed the ways they work and meet.
- Reconnecting actuaries from interconnected areas of interest to the current and future challenges of the profession.
- Reconnecting actuaries around the same objectives: meet, exchange, learn, discover … and enjoy!

As a company interested in supporting the actuarial profession and contributing to the advancement of actuarial science, we would like to propose a sponsoring package for the upcoming JoCo2024 organized by the IA|BE.

We look forward to your contribution being part of the JoCo 2024,
